Spring Madness Winners

Editor's Note

The shops have packed out their Christmas goodies already and its only October! In about 60 days we'll bid farewell to 2011!

In the Oct/Nov 2011 issue of our newsletter we introduce you to 3 new clients and give you insight into Rent-a-Drum.

Please take special note of our announcement below, while we also give you all the winners of the Spring Madness competition. We will publish the pictures in next month's edition.

Thanks for your continued support.

Keep SMSing...
Charlene Hartung

Oct/Nov 2011

Client Focus

In September we welcomed the Teacher's Union of Namibia (TUN), Ruimte Primary School in Rehoboth and Shell Diesel Extra.

TUN and Ruimte Primary School in Rehoboth will be communicating with their stakeholders via bulk SMS. TUN has appealed to all teachers registered with the union to SMS **TEACH** to **5001** in order to register their details on the database.

There will also be a lucky draw to win a laptop worth N\$4500 for those who have registered.

Shell Diesel Extra is hosting a competition and will be giving away 10 Garmin GPS devices. Watch the media for further details.

Client Review:

RENT-A-DRUM

Rent-a-Drum erected and commissioned a state of the art material recovery facility, the first and only in Namibia. They specialise in recycling, waste management as well as fat trap removal, medical waste removal, to mention but a few. We've asked them why they've opted for SMS marketing, see below.

What is the main aim of your services?

- Waste Management and Recycling (Re-duce, Re-use, Re-cycle)
- Awareness of recycling campaign - recycling clear bags system at all households.

Why have you chosen SMS as a means of communication with your stakeholders?

- Fast, effective way of communicating directly with potential clients.

What has your experience with DMS been like thus far?

- It's a good product and an excellent service.
